Activity OF English p. 57

1. Traduza:

The genitive case is when we add **apostrophe + s** ('s) to show possession, that something belongs to a person, an animal, etc.

2. Possessive adjectives (my, your, his, her, its, our, your, their) modify the nouns/words they are related to in order to show possession.

3. The possessive adjective agrees with the possessor and not with the thing that is possessed.

4. Like all adjectives in English, possessive adjectives are always located directly in front of the noun they refer to (**possessive adjective + noun**)

5. Traduza os adjective possessives;

a) My _____ b) your _____
c) His _____ d) Her _____

6. The Plural of **This** :

- a) Those
- b) These
- c) Then
- d) Than

7. The Plural of **That** :

- a) Those
- b) These
- c) Then
- d) Than

8. Esses pronomes demonstrativos referem-se a mais de uma pessoa ou objeto, por tanto seu complemento é plural.

- a) This/That
- b) Then/Than
- c) These/Those
- d) What/ which

9. Esses pronomes demonstrativos referem-se a uma pessoa ou objeto, por tanto seu complemento é singular .

- a) This/That
- b) Then/Than
- c) These/Those
- d) What/ which
